LOW-PROFILE MOUNT

Fixed and tilt mount fits 37”– 63” flat panels

Engineered and packaged with minimal materials, the WM1FT150 is ideal for eco-conscious installers looking for an easy-to-install, small tilt flat-panel mount ideal for LED and thin models. Compatible with most large flat panels, its reduced footprint allows ample room for power/AV cords, delivering a sleek and clean appearance.

Product Benefits:

- Low 1.77” (45mm) mounting profile ideal for ultra thin flat panels
- Tilt at 3°, 5° or 7° increments to reduce glare
- Streamlined dual-function rails can easily alternate between fixed and tilt positions
- Single wall plate allows for quick installation
- Small footprint provides ample room for power and A/V cutouts behind panel
- Lift n’ Lock™ allows you to easily attach your flat panel to the mount
- Sliding lateral on-wall adjustment
- Locking system secures panel to mount
- Eco-friendly product design and packaging
